

ALUMNI MEET-2023

ABOUT:

The Alumni Meet was created to serve the needs of academics and professionals alike, with the goal of bridging the gap between college and career life and equipping recent graduates with the skills they need to succeed in the cutthroat workforce of today. The two ends will cooperate to support one another in achieving their objective. The second Alumni Meet agenda was coming together after multiple discussions between the alumni committee, Dr. Usha Karunakaran, the I/C Principal and Dr. Sumant Somani Vice Principal. The organizing committee received ongoing direction and assistance from the In-charge Principal and Vice Principal in choosing the day, date, and schedule. It was attended by more than 100 Alumni. Welcome of our Alumni was done by Students from FYB.Sc. and FYBAF, followed by lamp lighting by the dignitaries. Introduction of HODs and Coordinators were given to Alumni by anchors. Address note to our Alumni were given by the Principal and Vice Principal. Video clips of previous Alumni in College was played. Students from BMS and B.Sc. performed two skits for Alumni. Following that, Alumni were asked to discuss their experiences at our College. A Provisional Governing Body of 11 persons was formed, with 6 alumni appointed as members and 5 appointed as President, Vice President, Secretary, Joint Secretary, and Treasurer. This decision was made by the Alumni themselves. Note of gratitude was given by FYBAF student.
